### ◆ **Message to Seniors: *Your Priority Should Still Be Education***

You have but two short months left in your high school career. Most of you I know are longingly looking forward to graduation and moving on with the rest of your life. “Senioritis” is a common ailment at this time of the year. I want to remind you, however, that this is not the time to let up. You still have a number of courses which you must pass to be eligible to graduate with your class, such as English 12 Senior Project, English 12 electives, Economics, Participation in Government, along with other required courses. This is still your number one priority. When colleges and/or future employers look at your final transcript, they want to see that you have put forth a concerted effort right up to the completion of the program, not someone who slacked off.

I encourage you to make the most of your remaining time at Whitesboro High School. There are a number of activities which you are encouraged to participate in, for example, the Junior Prom, Senior Ball, Senior Trip, and Graduation.

One concern that I do have is rumor of Senior “skip” days. I want to emphasize that **“skip” days are NOT sanctioned by the school in any way**. If there appears to be this type of activity in mass, all parents of those students absent will be notified. Those students found to be illegally absent will face in-school suspension as a consequence.

**Please Note:** A Senior Trip is tentatively being planned for **Friday, June 18, 2010**. If prior to the date of the Senior Trip the majority of the 12th grade is absent from school on a given day, an indication of a Skip Day, Seniors absent for all or part of that day will be ineligible to go on the trip. Their money will not be refunded.

## **S A V E**

### **Graduation Information:**

Graduation for the Class of 2010 will be  
SATURDAY, JUNE 26, 2010 at 9:30 a.m.

at the **UTICA MEMORIAL AUDITORIUM**

*Graduates must be there by 8:45 a.m.*

## ◆ Graduation Requirements

All graduates are expected to report to the Utica Auditorium by 8:45 a.m. on the morning of Saturday, June 26. Line-up will begin at 9 a.m. sharp. Participation in the graduation exercise is a **privilege**, not a right. Students must not only have earned enough credits to graduate but they also must be in good standing behaviorally in order to participate in the ceremony. In addition, all Seniors must have successfully completed their Senior Project in order to be eligible to graduate.

## ◆ Graduation Practice - Wednesday, June 23 at noon

Graduation practice will be held on Wednesday, June 23, at noon. All graduates are expected to report to the High School auditorium at this time where we will organize our line-up by rows. Graduates must be there when their names are called for the alphabetical line-up or they will be placed at the end of the line. The graduates will then board buses to be transported to the Utica Memorial Auditorium for graduation practice there. We plan on returning by bus to the High School no later than 3 p.m.

## ◆ Pass? Fail? The choice is yours

The latter part of May and the month of June are often referred to as “crunch time”. Teachers are busily working at finishing up their final curriculum units and soon will be beginning their review sessions. It is imperative that students make a concerted effort to be in attendance at school every day and in their classes, especially during this time period as it could make the difference between passing and failing. They still have one more quarterly mark plus the final exam which together comprise two-fifth’s of their final grade. With our better weather, I know it is tempting to play “hooky”, but this could prove to be detrimental to their success.

### ***Putnam Presents at Conference***

Dwight “Buzz” Putnam, Physics teacher, was selected as a featured presenter at the National Science Teachers Association (NSTA) conference this March in Philadelphia. His presentation to science teachers was “The Magic of Science: How to use Discrepant Events to energize your students”. Putnam is a 25-year veteran Physics teacher, Science Department Chairperson, a science laboratory developer with the Center for NanoScience at Cornell University, and has been a presenter this year for the state science conferences in New York, New Jersey, and the Conference for the Advancement of Science Teaching in Galveston, Texas.

The Memorial Day Holiday  
will be extended  
barring the need to close school  
during the month of May.

**\* No School\***

**Friday, May 28**

# National Honor Society Inducts 43 Students

On Tuesday, March 11, 2010, 43 students from Whitesboro High School were inducted into membership of the Whitesboro National Honor Society in a special evening program held at Harts Hill Inn. The National Scholarship Standard for the National Honor Society is set at 85%, but to be selected into Whitesboro's National Honor Society, inductees must have earned a high scholastic standing of 90% cumulative average throughout all of their high school career. In addition, inductees must have demonstrated a high standard of character and leadership among their peers. Candidates are also required to have shown service to their school and community above any extracurricular activities. The selection of candidates is conducted by a faculty council based on an equal foundation of high standards of scholarship, leadership, character, and service. The inductees are:

Zainep Abdelaal  
Kristin Abel  
Michael Albert  
Samuel Brandstadt  
Elizabeth Burnett  
Allison Cady  
Alexa Chruscicki  
Starr Ciacciarelli  
Francesca Cotrupe  
Austin Curtis
