

# **DEERFIELD ELEMENTARY**

## **PROCEDURES FOR STUDENT ARRIVAL & DISMISSAL**

***We strongly encourage all students to ride the bus***

**ARRIVAL:** We are returning to our pre-COVID arrival and dismissal routines.

**9AM-9:15AM Busses** will unload at the curb in the front circle

**9:15AM Parent Drop-off:** Please arrive after the busses leave the front circle. Student drop off will once again be located in the front circle. Please have your child exit on the curbside of the vehicle so that he/she is not exiting into traffic.

**PICK-UP & DISMISSAL:** We will return to our pre-COVID dismissal routine.

We strongly encourage all students to ride the bus. However, if you must pick-up your child from school, please send a note to school with your child that morning. This will allow the office time to plan for your child's dismissal. The end of the day is very hectic and planning on all of our parts leads to a much smoother dismissal for all of our students.

**Early pick-up for an appointment that cannot be scheduled outside of the school day:**

Please report to the main office to sign your child out of school.

**3:10PM Students for Parent Pick-up:**

Please park your vehicle in the parking lot and use the crosswalk to walk to the front porch where you will sign your child out of school. We will require photo identification. If your child is not picked up by 3:20PM, he/she will be sent home on his/her regularly assigned bus. The end of the school day is extremely busy; please consider having your child(ren) ride the bus.

**3:20PM All students will load the busses**

*As always, your child's safety is our priority. See you soon!*
