August 24, 2020

Dear Students and Families,

I hope you have had a wonderful summer and are now preparing for our first day of school which is on **Tuesday, September 8th** for ALL students. Refer to the enclosed cohort schedule to determine your physical and remote attendance days. My name is John Egresits and I am the Middle School Campus Principal. I will be working closely with our Middle School Assistant Principal, Mr. Spost, and Parkway Assistant Principal, Ms. Hajdasz, along with all of your teachers, to help you become well prepared for your secondary education.

Within this mailing, you will find a few items: your student schedule for the first semester, a school supply list, daily health screening procedures, Student Assessment Forms, September cohort schedule, bell schedule, Middle School Campus Zoom Rules and a Student/Parent Contact Form. The **Student/Parent Contact Form** needs to be verified/updated and returned on chromebook pickup day (information below) or to your homeroom teacher on your first physical day of school. For those students that are 100% remote, please verify the information on the Student/Parent Contact Form and email it to either [pkattendance@wboro.org](mailto:pkattendance@wboro.org) for Grade 6 or [msguidance@wboro.org](mailto:msguidance@wboro.org) for Grades 7/8. Please take some time to review these items so you will be ready for the new school year to begin.

Due to COVID-19, this year's building orientations and walkthroughs will be done via video. All information regarding the video will be given to students and parents when they pick up their Chromebooks along with directions for students to begin signing into their individual Google Classrooms. If you have any questions on this, please feel free to contact the middle school at 266-3110. Thank you for your cooperation.

**All** Middle School Campus students should pick up a district Chromebook to use for their classes. Although some may have their own device, we respectfully ask that you use the district device for this school year. Your personal devices will not be allowed to log onto the school network so the district issued chromebook is necessary.
